

You do not allow us to be tested beyond our strength:

—Let us always trust in your grace when temptation comes. *R̄.*

The gates of hell will not prevail against your Church:

—Give us the grace to bear wrongs patiently. *R̄.*

Personal Intentions

Our Father...

Mary, Queen of Angels, pray for us!

All good and gracious God,
may we remember always
that it is you who are our strength,
you who deliver us from evil.
Preserve us from prideful self-reliance
and, with Saint Michael interceding,
rebuke the Devil when he attacks us.
Through Christ our Lord. Amen.
