1 – To mark the placement of your tab, make a small pencil line  $\frac{1}{8}$  inch from the right edge of the page X, and Y inches from the top of the page.

(See chart below. E.g.: for the tab R2, page 751, at 7  $\frac{3}{4}$  in.)

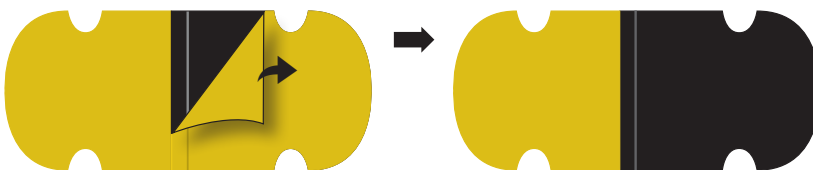

|  | TABS      | PAGES | INCHES          |
|--|-----------|-------|-----------------|
| Eucharistic Prayer for Reconciliation I                    | <b>R1</b> | p.743 | 8 $\frac{3}{4}$ |
| Eucharistic Prayer for Reconciliation II                   | <b>R2</b> | p.751 | 7 $\frac{3}{4}$ |

2 – Without removing the protective strips, fold the tab in half so that the two ends are symmetrically aligned edge to edge.

3 – Reopen the tab and remove the longer protective strip.

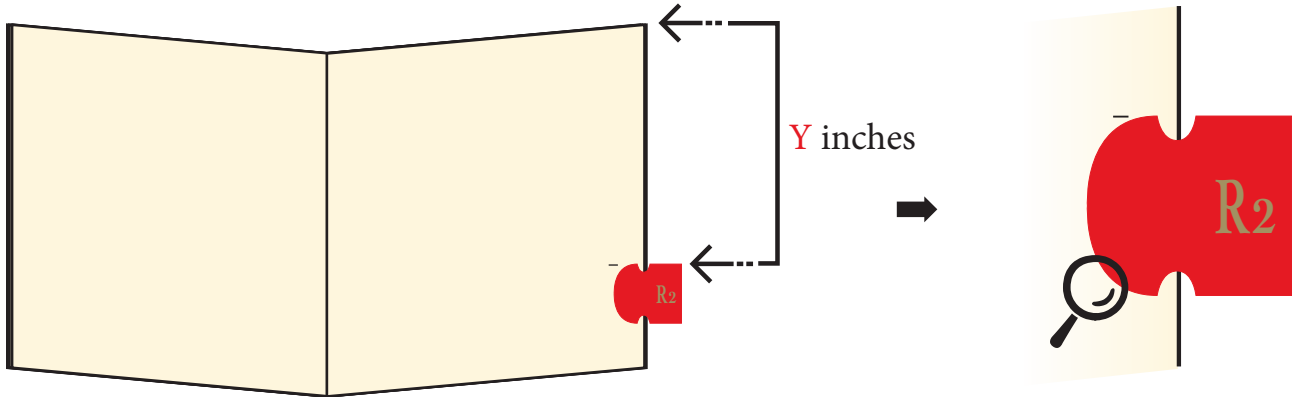

4 – Fold the tab in half again (do not worry, the short protective strip will prevent it from sticking permanently). Reopen it gently, while leaving the far ends of the square side already affixed.

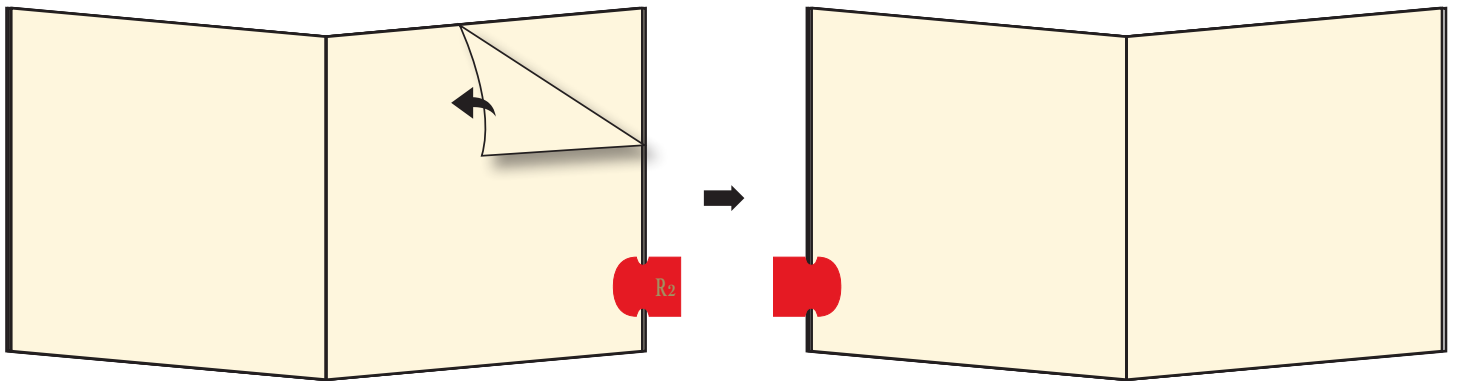

↑↑ Leave these ends of the square side affixed.

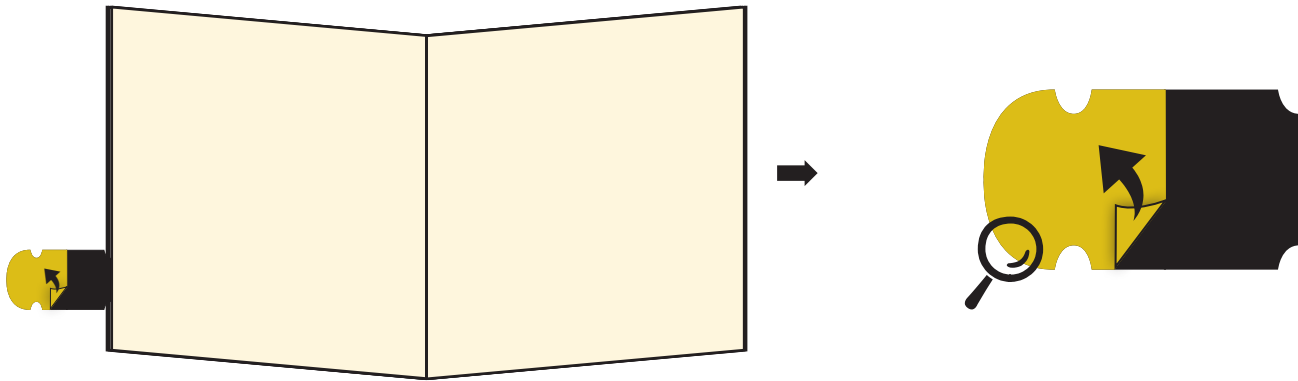

5 – Without removing the short protective strip, place the tab on the page next to your pencil mark from Step 1, and carefully align the center of the rounded notches with the edge of the page. Be careful not to combine two pages. Then press down firmly.

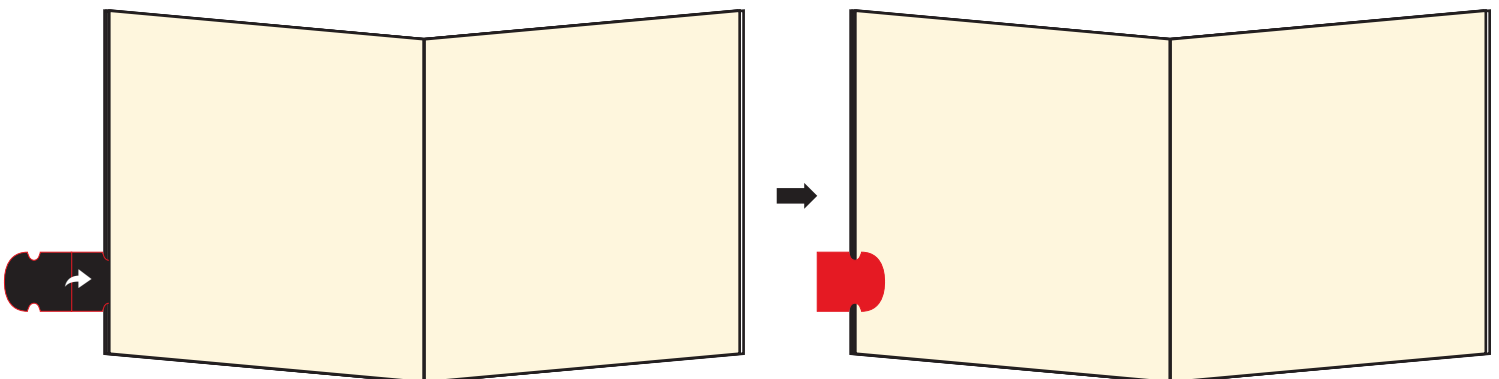

6 – Turn the page over completely.

7 – While holding the page securely, remove the short protective strip.

8 – Fold the adhesive side over gently, checking the alignment, and affix it to the page. Then press down firmly.

## APPLICATION INSTRUCTIONS - 10 BLANK TABS:

10 smaller blank self-adhesive tabs are also provided for your personal use.

You may or may not wish to use them. You might want to start using the Missal first and affix them later, where you need them.

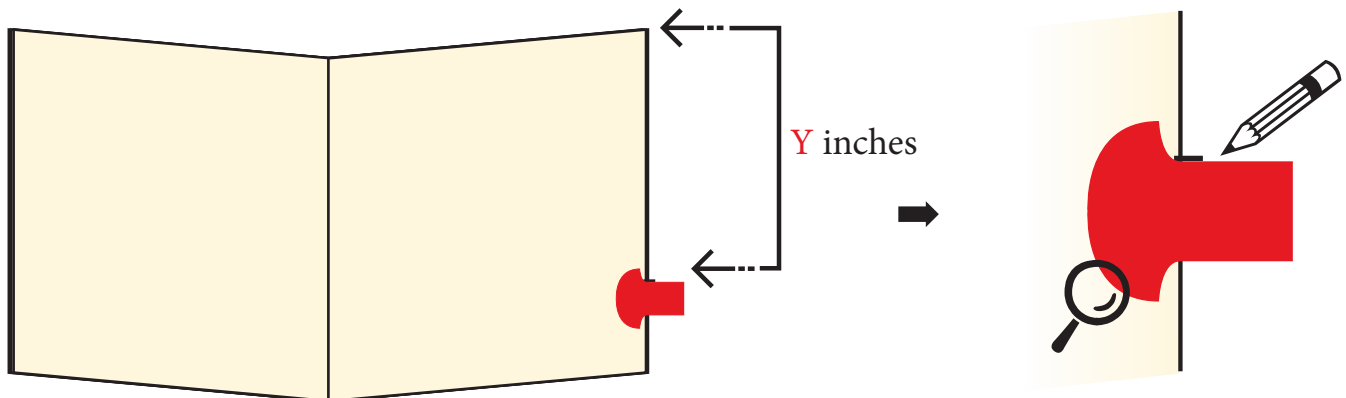

The tab placement instructions and charts below are designed to help you easily locate and turn the pages of the Eucharistic Prayers (7 tabs) and Communion Rite (3 tabs). Feel free to adapt these guidelines to your specific needs.
